

# The Camden account

The Camden account lets you use services online easily

You don't have to remember lots of passwords and usernames

You only have to give your contact details once

We will store these safely until the next time you log on

With the Camden account you can

- request new recycling equipment

- check bin collection days

- pay your council tax bill

- report housing repairs

- buy electronic parking permits

You can do this on a

- laptop

- smartphone

- iPad or tablet

- library computer

We make sure we keep your payment details and personal information safe

To get a Camden account, all you need is your

- email address

- name and address

- contact phone number

You can choose your own password for your account

We'll send you an email to confirm your account

For housing services you will need a **customer or payment reference number**

For council tax, you will need your **council tax account reference**

**Sign up for a Camden account today and find out how easy it is to do things online**
