

Community Safety Partnership Delivery Plan 2015 – 2016

NIGHT TIME ECONOMY		
Problems we want to address	Actions	Performance Measures
<p>Making Child Sexual Exploitation victims safer through risk reduction</p>	<ul style="list-style-type: none"> • Develop links with the regular police “Make Safe” operations covering: <ul style="list-style-type: none"> ➤ Hotels ➤ Off Licences ➤ Pubs ➤ Cab Firms 	<ul style="list-style-type: none"> • Reduction in Child Sexual Exploitation risk score
<p>Making the Night Time Economy Safer</p>	<ul style="list-style-type: none"> • Encouraging the introduction of plastic glasses • Influencing licencing policy • Supporting police strategy • Uri-lifts launch (Uri-lifts are pop-up urinals) • Tackling nuisance related to Pedicabs and Public Urination (Public Space Protection Orders). (Pedicabs are cycle rickshaws) 	<ul style="list-style-type: none"> • Night Time Economy Crimes in Camden Town (offences per 100,000 visitors) • Borough-wide alcohol related crime committed between 2000-0600 hours (Friday and Saturday) • Alcohol Related Violence in Borough Night Time Economy Hotspots • London Ambulance Service Assault & Binge Drinking Data
<p>Improving Networks</p>	<ul style="list-style-type: none"> • Understanding and influencing the attitude and behaviour of patrons and visitors - is there some common ground with residents and venues? • Ensure that community views are taken into account from across the borough • Licensees - coaching networks getting licensees to help each other • Being part of the wider Night Time Economy management strategy covering: <ul style="list-style-type: none"> ➤ Rubbish ➤ Public urination ➤ Transport and parking • Licensing enforcement and noise – telling people what we’re doing and have done. • Developments around the Late Night Levy if one is introduced. 	<ul style="list-style-type: none"> • Borough-wide Residents’ Survey

Community Safety Partnership Delivery Plan 2015 – 2016

CAMDEN “NO PLACE FOR HATE” *An additional Camden priority added in May 2015*

Problems we want to address	Actions	Performance Measures
<p>Increase awareness and reporting of hate incidents</p>	<p>Short Term:</p> <ul style="list-style-type: none"> • Invite attendees able to contribute to delivery against this problem: <p>Long Term: Deliverables from the Hate Crime conference:</p> <ul style="list-style-type: none"> • Could the CLASP concept be expanded? (CLASP - Camden LGBT Advice and Safety Project, is a safe haven project run by Camden Lesbian Gay Bisexual and Transgender Forum) • Increase & improve third-party reporting. (Third party reporting sites are places where people can go to report hate crime, anonymously or not. These organisations will report incidents to the police only with the consent of the victim). • Develop further work around restorative approaches and education. • An app for reporting hate crime • Conversation with 3rd party reporting sites about what is being recorded and reported to improve consistency 	<ul style="list-style-type: none"> • Increased reporting of hate incidents
<p>Raising awareness and reporting of extremism and radicalisation</p>	<p>Short Term</p> <ul style="list-style-type: none"> • Invite attendees able to contribute to delivery against this problem: • Scope opportunities to get young people to come back to Community Safety Partnership afternoon to discuss how they use the internet and what they are looking at. <p>Long Term: To be agreed</p> <p>Performance measures</p> <p>Need to be able to get access to information on a monthly basis. Something that needs to be impacted by what we are doing around the table, otherwise cannot measure success. Need to see what is reported.</p> <p>Prevent – Channel referrals – those that go through and those that have not will inform numbers</p>	<ul style="list-style-type: none"> • Increase in Channel Panel referrals - from statutory agencies and community

Community Safety Partnership Delivery Plan 2015 – 2016

<p>Making Child Sexual Exploitation victims safer through risk reduction</p>	<p>Short Term:</p> <ul style="list-style-type: none"> • Invite attendees able to contribute to delivery against this problem. <p>Long Term:</p> <ul style="list-style-type: none"> • Explore links between Prevent individual and grooming • Explore links between grooming of people with disabilities and Child Sexual Exploitation as part of 'mate-crime' (mate crime, is a form of disability hate crime in which a vulnerable person is manipulated or abused by someone they believed to be their friend) • Explore how to share information • Inform and educate community networks about Child Sexual Exploitation • Focus group session with young people around Child Sexual Exploitation (September). 	<ul style="list-style-type: none"> • Reduction in Child Sexual Exploitation risk score
<p>Increase community networks</p>	<p>Short Term:</p> <ul style="list-style-type: none"> • Invite attendees who are able to contribute to delivery against this problem: • Measure the increase in partnership networks influenced by attendees reaching out to other groups in 2015/16 <p>Long Term:</p> <ul style="list-style-type: none"> • Think about communications following a major incident or cohesion issue e.g.: Sydney "Ride with Me", (where Australians are offering to commute to work with their Muslim neighbours) • Consider asking attendees whether new networks have been created via a questionnaire 	<ul style="list-style-type: none"> • Evidence increased number of networks created through the Community Safety Partnership activity

YOUTH VIOLENCE		
Problem we want to address	Example Action Types	Proposed Measure
<p>Collaborative working to support gang affected young people to exit a gang lifestyle.</p>	<p>Long term</p> <ul style="list-style-type: none"> • Supporting gang affected young people to access key services to aid them in exiting gang lifestyle 	<ul style="list-style-type: none"> • Youth Violence Profile Offences (Including accused and suspects aged 10-25 years)

Community Safety Partnership Delivery Plan 2015 – 2016

	<p>Short term</p> <ul style="list-style-type: none"> • Increase confidence in accessing services • Young people understanding their rights and the support and services they can access • Increase awareness of professionals working with gang affected young people around gang related risk e.g. entering certain geographical locations. 	
Reducing risk for gang affected young people	<p>Long term</p> <ul style="list-style-type: none"> • CitySafe – developing the scheme in suitable areas across the borough (<u>CitySafe</u> is an innovative community-led scheme that aims to make the streets safer by setting up Safe Havens. The Safe Havens are places of safety within local businesses and organisations, where young people can go if they feel at risk, threatened or in immediate danger). • Identifying gaps in services and seeking solutions e.g. Mentoring <p>Short term</p> <ul style="list-style-type: none"> • Opportunities for young people to engage with securing more CitySafe businesses • Mapping exercise for where young people feel unsafe - to inform CitySafe locations 	<ul style="list-style-type: none"> • Change in Gang Matrix Harm Score
Early intervention for those at risk of youth violence involvement	<p>Long term</p> <ul style="list-style-type: none"> • Early intervention: Families know how to identify signs of gang involvement/Child Sexual Exploitation • Supporting and informing a roll-out of an education and awareness raising programme in schools. <p>Short term</p> <ul style="list-style-type: none"> • Ongoing action around engagement with Junior Citizens. (Junior Citizens is an event for year 6 pupils, preparing them for secondary school, covering topical issues regarding safety within their community). 	<ul style="list-style-type: none"> • YDP Impact Measure
Making Child Sexual Exploitation victims safer through risk reduction	<p>Long Term</p> <ul style="list-style-type: none"> • Parenting groups – raising awareness of Child Sexual Exploitation 	<ul style="list-style-type: none"> • Reduction in Child Sexual Exploitation risk score

Community Safety Partnership Delivery Plan 2015 – 2016

	<ul style="list-style-type: none"> • Linking in with Safer London or Young Person’s Independent Domestic & Sexual Violence Advisor as appropriate (Safer London is an independent pan-London charity that supports young people affected by violence and crime). <p>Short Term</p> <ul style="list-style-type: none"> • CitySafe mapping exercise to identify where young women feel unsafe <p>Long Term</p> <ul style="list-style-type: none"> • Network analysis of females linked to matrix gang nominals. • Promoting the ‘Girls Gangs and Consequences’ session from Growing Against Violence (Gangs Against Violence delivers a public health and public safety programme through evidence -based preventative education sessions. It delivers age appropriate sessions to students in school years 6 through to 10, providing a continuum of universal engagement).
