

Seeking shelter in Camden

A guided walk by Camden Tour Guides Association in support of C4WS

Saturday December 2nd at 11am

C4WS Homeless Project (the Churches Cold Weather Shelter) is the Mayor of Camden's charity this year. For 200 years people have arrived in the borough of Camden to work and to find a home. Many didn't find a true home here, but lived in casual housing or squalid overcrowding. Over the years the face of homelessness has changed many times but has never gone away.

In this walk, Camden guides will show you where Dickens was evicted, where Orwell's home was a four-foot-wide cubicle, and where Alan Bennett gave shelter to the "Lady in the Van".

The walk takes about two hours and starts at King's Cross and ends in Camden Town.

BOOKING IS ESSENTIAL. CTGA is not charging for the walk but will collect donations to C4WS Homeless Project. Suggested donation £10 for waged people. To book, visit <https://www.eventbrite.co.uk/e/seeking-shelter-in-camden-tickets-39766959045>, <https://camdenguides.com/> or phone 0771 421 0458
