Pregnant or have a child under five?
We can help, come and talk to us
Mums, Dads and Carers, come with your children to your local children’s centre.

Happy, healthy and looking forward to the future? That’s what you and your child deserve. It’s why Camden has developed a complete range of services, designed to offer support during the first months and years of your child’s life.

We’re here for the whole family. From the moment you know you’re expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

What kind of help?

We want you to feel confident as a parent, to be aware of everything that’s available for your child’s early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.
