- We erect scaffolding
- We use large, noisy machinery

**Please do not enter the construction site unless it is part of a pre-arranged visit by our project team.**

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe and take extra care during the school holidays.

**Considerate Constructors Scheme**

As with all our projects, this site will be registered with the scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance

- Workforce
- Environment
