

Supporting Regent's Park

Keeping you and your community informed

All the latest updates on HS2 construction works and other activity in your neighbourhood

A new 'living wall' along Robert Street

New 'green walls'

We have installed four new 'living walls' in your neighbourhood. The newly planted green walls are located at the side of the Grasmere, Patterdale, Borrowdale and Derwent buildings along Robert Street. Over time, the plants will flourish to span the height of the wire mesh installed on each wall. We've used Evergreen Clematis Armandi, Star Jasmin, low growing ferns and Hellebores which have properties to help improve and clean the air, absorb sound and increase biodiversity.

Euston Planning Brief consultation postponed

The Council has postponed consultation on the Euston Planning Brief due to the pre-election period, commencing on Wednesday 6 November. This is ahead of the general election which will be held on Thursday 12 December.

We need to give further thought to future timings on the consultation, hope to have a clearer picture in the next couple of weeks.

For information about our plans for Euston and updates about future consultation visit <https://www.eustonareaplan.info/>

Noise, vibrations and dust

Councillors Danny Beales and Adam Harrison wrote to HS2 earlier this month ahead of demolition works resuming in your area. The letter expressed our concerns about how HS2 are managing dust, noise and vibrations on the estate while

demolition works are underway. The letter urges HS2 to prioritise the health and safety of residents, find better ways to support communities living in HS2 affected areas, and to offer respite to people living nearby demolition sites.

We will continue to do everything we can to ensure that every effort is made to minimise

the impacts of demolition works and to prioritise the health of our communities.

If you have a concern about noise, dust or vibrations in your area, we encourage you to contact the helpdesk: **Call free-phone 08081 434 434, Minicom 08081 456 472 or email HS2enquiries@hs2.org.uk**

Circa 1880s fountain restored

One of Camden's oldest fountains, formerly located at St James Gardens, is almost fully restored. The circa 1880s cast iron fountain was damaged in a fire and we've been working with Metalcraft to restore it to its former glory. This work is funded by an assurance the Council received from HS2. With the loss of St James Gardens to make way for HS2, the treasured fountain will soon find a new home at the St Pancras Parish Church gardens. Once relocated, the fountain will make the final step in improvement works to the south garden of St Pancras Church Gardens have been completed.

Community Conversation and Euston Walkabout

Thanks to all residents who joined us for October's community conversation. The experiences you shared will help us address concerns in your area about community safety and HS2. We'll soon share an updated action plan on our website to show how we are addressing your concerns.

In October, HS2 decision-makers joined us for a walkabout of your neighbourhood. Our thanks to the residents who gave up their time to take part in the walkabout. This was an opportunity to show decision makers the significant impacts that works to build HS2 have on the lives of local residents.

Road closures near you

Existing closures: The section of Stanhope Street between Mackworth Street and Park Village East will be closed in phases for the demolition of the Eskdale building. The footpath will remain open for pedestrians and a diversion will be in place for vehicles.

Robert Street will be closed between Stanhope Street and Hampstead Road until January 2020. Works will take place in three phases to allow for vehicle access.

From mid-November works will take place in the east bound lane of Cardington Street close to the junction with Hampstead Road.

HS2 pop-up events

If you have any concerns about works at the Regent's Park Estate, attend a pop-up event in November.

Thursday 7 November, 8:30am to 9:30am and 3pm to 4pm at Netley Primary School

Tuesday 12 November: 11am to 1pm at Stanhope Parade shops

Thursday 21 November: 11am to 1pm at Granby Terrace Bridge/Hampstead Road corner

Tuesday 26 November: 1pm to 3pm at Cartmel/Coniston car park

HS2 construction works in your area

We are committed to doing everything we can to help reduce the impact of HS2 in your neighbourhood. You can also find regular works updates online at [HS2inCamden.co.uk](https://www.hs2inCamden.co.uk)

Works to demolish the northern end of the Silverdale building began in October with scaffolding set up around Stalbridge House. Demolitions have now moved to the Eskdale building. Works to demolish Granby House, Stalbridge House, Old Tenant's Hall and Silverdale are expected to start in November, extending to the end of December. We've asked HS2 for advice on their planned works during the upcoming December holiday period. We will do our best to keep you informed about any planned works to help give you as much notice as possible as we head into the holiday period. If you have a question about HS2 works in your area, please contact the HS2 team: **Call free-phone 08081 434 434, Minicom 08081 456 472 or email HS2enquiries@hs2.org.uk**
