

# ONLINE SESSIONS FOR WEST KENTISH TOWN RESIDENTS

Angela James and Rebecca  
Ellis

# WHY ARE WE DOING THESE SESSIONS NOW?

- ❖ In response to COVID 19 we are unable to use some of our current techniques
- ❖ We can reach a large audience without them leaving their homes to do this.
- ❖ Some residents prefer this form of information and do not want to get involved
- ❖ We can keep getting the messages out to everyone until things return to a new normal.
- ❖ It works by you logging in and you can ask questions via chat at a certain time and there is more than one session if you miss it.
