Although this is a day about male violence against women, we recognise men, trans and non-binary people also face domestic and sexual abuse and that the intersectional layers of sexuality, race and disability also have a profound impact.

We hope that those with lived experience of using services or supporting others feel welcome to join this event. Please email Shirley.McNicholas@candi.nhs.uk or Maneek.sahota@candi.nhs.uk if you have any concerns.

There will be white ribbons available to pick up at St Pancras Hospital and Highgate Centre.
