

## London Borough of Camden

### Audit of Statement of Accounts for the year end 31 March 2022

Under regulation 10 of the Accounts and Audit Regulations 2015 (as amended), the Council is required to publish the audited Statement of Accounts for the year ended 31 March 2022 on or before 30 November 2022.

The Council has been unable to meet this requirement because, due partly to the global Covid-19 pandemic, the resulting uncertainties over the valuation of the authority's property assets, and the extended consultation on infrastructure asset reporting, there has been a delay in the conclusion of the audit of the annual accounts for 2019/20. This delay has in turn prevented the Council from being able to finalise the accounts and the audits for both 2020/21 and 2021/22.
