Re: Contract Extension for the Parking Enforcement Contract with London Borough of Camden

I am writing in relation to the above contract with the London Borough of Camden (the Council).

The Council has completed its tender process and we would like to formalise the contract extension that was proposed at the start of the process.

The contract extension period will be for up to six (6) months from 01 April to 30 September 2020 and the current terms and conditions, including contract costs will remain the same as our current arrangement.

This letter is to formally request an extension to our current contract. If your organisation is in agreement with the above, please can you arrange for page 2 of this letter to be completed, signed and returned by 17:00 on Tuesday 31 March 2020. The signature must be from a member of your organisation who has approved delegated authority to sign and date the appended contract extension.

It should be understood that during the contract extension period, Council Officers will be continually reviewing the service requirements and will be in contact with NSL. The extension will also help both organisations to manage our obligations with the current Covid-19 virus pandemic.

Should you have any questions or require further information please do not hesitate to contact me.

Yours sincerely,
