Delivered by Camden adult community learning

Welcome to **CLiC** – our **Community Learning in Camden** brochure

You'll be amazed at the variety of adult learning courses in community learning centres across the borough. All courses are for adults aged 19+ and give priority to Camden residents. Some classes are for particular groups and are clearly marked in the brochure, for example, for older people, parents and carers or people with learning disabilities. You'll see that some classes have a free crèche – subject to demand.

Courses are grouped in the brochure under the following headings:

Computers, tablets and phones	Page 5
English	Page 13
Family learning	Page 16
Work and Life skills	Page 17
Health and wellbeing	Page 18
List of courses by venue	Page 22
List of learning centres	Page 27

Our classes are informal. You will learn at your own pace, supported by tutors experienced in teaching adult learners. When you start the course, your tutor will discuss with you what you want to get out of the class and will work with you to make sure that your programme meets your needs.

If you want to find out more about a particular course, contact the centre where it's being run - details are provided on page 19. Or call the **Camden Adult Community Learning Team on 020 7974 2148** or email: adultlearning@camden.gov.uk

Come along to one of our **Information and Enrolment days** and talk to us about what you're interested in learning. We'll help you find the right course for you.
