

END OF YEAR UPDATE

It's been an unusual and sometimes challenging year, but together we've made lots of progress towards new homes and a new estate.

In Feb / Mar we held the residents' ballot, where 93% of eligible voters who took part said 'Yes' to redevelopment of their estate. This is a clear message for the Council to keep working with you to design a new estate that you will all be happy and safe living in for decades to come.

Though the global pandemic, lockdowns and social distancing have made engaging with you and employing the teams that will work with us a little slower, we know the importance of good homes and an improved local area and we're committed to delivering on our promises.

Socially distanced drop-in held in September

We wish all residents a very happy, and safe festive period and new year.

COMMUNITY VISION

We want to hear how you think investment could make your neighbourhood a better place to live, work or visit. Tell us what you think by completing a short survey at bit.ly/gohvision before Monday 14 December. The survey is open to all local residents, businesses, workers, community groups and anyone else with an interest in the area. Your feedback will be used to create a new Community Vision that will set out your priorities and help shape the future of the area. Read more about the project at GOHVision.camden.gov.uk
