

## Client Contributions

Presented by David Kinloch, **Resource Coordination Team - Camden**

20 July 2022

## Contributions

paying towards the cost of your care and support

### **Why do I have to pay towards my care?**

Everyone who can afford to pays towards their care, not just people with learning disabilities.

This is because the Council does not have enough money to pay for everything

## How do you decide how much I have to pay?

Our awards and contributions team do a financial assessment with you where they look at how much money you get each week and whether or not you have any savings.

This helps them work out how much you can afford to pay

**What can I include in my disability expenses?**

Bigger gas and electricity bills than usual - this might be because you need to keep your home warmer

## Who should I contact if I have difficulty paying an invoice?

You can call the awards and contributions team on **020 79 74 16 07** and they will explain about reviewing decisions

You can call the Camden's credit control team on **020 79 74 69 59** and they will explain about paying your invoice
