I support people with Learning Disabilities when they come into hospital for

Outpatient Appointments

Inpatient stay in Hospital

If you need to come to accident and emergency

Any Tests such as a CT scan

It is important you bring your hospital passport with you to Hospital

This is my hospital passport 

For people with a hearing disability visiting the hospital

My name is:

If I have to go to hospital this book needs to go with me. It gives hospital staff important information about me.

It needs to hang on the end of my bed and a note should be put on my notes.

This passport belongs to me. Please return it when I am discharged.

Nursing and medical staff please look at my passport before you do any interventions with me.
