

Tips for speakers

Please use easy read handouts
Pictures on the left of the page,
Easy words in big print on the right

We use traffic light cards.

- Green for yes, I agree
- Orange for slow down, no jargon
- Red for stop , I want to speak!

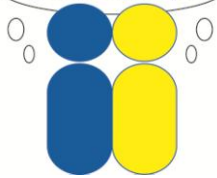

Tell us if we can ask questions
during your talk,
Or if we must wait till the end

Speak up loud and clear
so we can all hear.

Do not talk too fast.
Do not give us too much
info at once

Keep your talk short,
no more than 15 minutes.

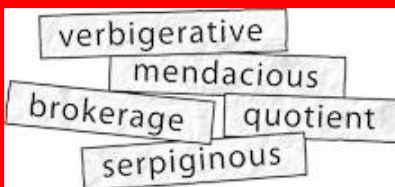

Stick to the main points.
Repeat the important bits.

Use pictures, stories and video.
They help us to remember.

Get us involved.
Ask us questions
We like to talk in small groups

Do not use jargon.
It is hard to understand.
Tell us what the hard words mean.
