**Action: Andrew to look at how we can arrange for Camden Council front of house staff to receive training on LD awareness and how to make reasonable adjustments**

- Andrew spoke to Camden Councillors Anna Wright, Lorraine Revah and Kemi Atolagbe.
- They agreed it was a good idea for all Camden staff in front of house roles to complete some **basic learning disability and autism awareness training**.
- We will now look at next steps.

## Action: Rethink to look into setting up monthly drop-in sessions at the Greenwood Centre
