

community nurse

for adults with learning disabilities

Camden

a community nurse can help you with

- how to stay healthy

- your mental health

- your medications

- your epilepsy

- your sexual health

- how to stay safe

we can help you by

- helping you understand your health appointments

- helping other health workers understand you better

- showing staff how to support you to stay healthy

- talking through your problems with you

- helping you with your health problems

- giving you advice and information about staying healthy

- working with your staff to help you stay healthy

- working with other health staff to help them understand your problems

we can see you at

- home

- your GP's or in hospital

- work

- your day service

- college

- 5 Pancras Square
