

Dog mess

While most people clean up after their dogs, some do not.

Dog mess is unpleasant and if left on streets or in parks is a major concern to residents and the Council.

What we do

- We issue fines to offenders who do not clear up after their dogs, but can only do this if the person is caught.
- **'Any bin will do'** – Camden has over 1,500 litter bins where bagged dog mess can be disposed.
- We clean up any reports of dog mess on our streets.
- We patrol areas where there are known problems and raise awareness.

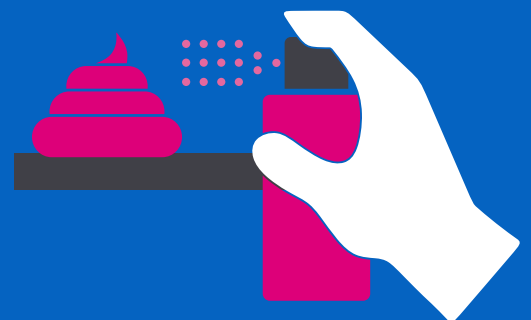

What you can do

- See it? Report it.
- Report dog mess on the free Love Clean Streets app.

See it? Spray it.

Stop others treading in dog mess, raise awareness and help us find it by spraying it fluorescent pink.

Contact us at street.environment@camden.gov.uk to arrange collection of your free pink spray and dog mess bags.
