

# My business is COVID-secure

We are complying with the Government's guidance on managing the risk of COVID-19

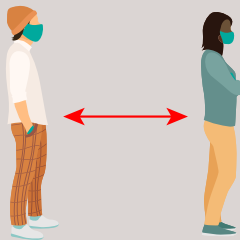

1. We have carried out a COVID-19 risk assessment and shared the results with our staff who work here
2. We have cleaning, handwashing and hygiene procedures in line with guidance
3. We have taken all reasonable steps to help people work from home
4. We have taken all reasonable steps to help customers and staff keep a 2m distance in our premises
5. Where staff and customers cannot keep 2m apart, we have done everything possible to manage transmission risk

# Let's keep each other safe

Wherever possible, please keep 2 metres apart from anyone not in your household or support bubble.

Where you can't keep 2 metres apart, you can stay at least 1 metre apart and follow measures to keep other customers and staff safe.

If queueing inside or outside, observe the 2 metre rule where possible

\*You must wear a face covering inside all shops and supermarkets

Use the hand sanitiser / hand washing facilities provided in entrances

Do not visit if you have COVID-19 symptoms – stay at home

Do not touch goods unless you intend to purchase them

Please use contactless or card payment – try to avoid cash payments

\*Although you do not need to wear a face covering in hospitality premises such as cafes, coffee shops, restaurants or pubs, the Government recommends you wear one in enclosed public spaces where safe social distancing may be difficult.
