

Audit of accounts year ended 31 March 2020

Notice is given that there is a delay to the publication of the audited Accounts of the London Borough of Camden for the year ended 31 March 2020.

As a result of the global Covid-19 pandemic there has been a delay in the conclusion of the audit of the annual accounts. The Authority's officers and Mazars' audit team have been working through the steps that an audit requires, but some work still remains outstanding.

There is therefore a delay to the signing of the final audited accounts from the November to a later meeting of the Audit and Corporate Governance Committee. This will allow the auditor and finance team to complete their work to provide assurance over the council's accounts to both the Auditor and the council's own Chief Financial Officer.
