

THE GOVERNORS ARE CONSULTING ON MAIN SCHOOL ADMISSIONS POLICY SCHOOL YEAR 2023 - 2024

Emmanuel Church of England Primary School is a voluntary aided Church of England School with an age range of 4 to 11 years. Emmanuel School also operates a nursery for children who will turn 4 in the school year. We admit 30 pupils to Reception Class every September. Governors hope that all children will attend the acts of collective worship and will take part in the religious education curriculum offered by the school, in line with our published policies.

- Governors therefore expect parents to give their full support to the ethos of the school.
- If the School has received more applications than it has places to offer, the Governors will allocate places strictly in accordance with the following approved and published criteria.
- The criteria will be applied in order of precedence starting with the criterion number 1. Applications must be submitted under **EITHER** route A **OR** route B.
- After the admission of any looked after children and those with an Educational Health Care Plan (EHCP), two thirds will be admitted under route A and one third under route B. Responsibility for admissions rests with the School Governors.
- Children without an Educational Health Care Plan will be treated the same as any other child; those with an Educational Health Care Plan naming the school on that Plan have automatic entry.
- The Governors will require evidence of the information given in every application

Deferred entry to Reception:

Places offered for Reception class are offered for full-time places from the September following the child's fourth birthday

Parents can request that the date their child is admitted to the school is deferred until later in the academic year, but not beyond the point at which the child reaches compulsory school age (the term after their fifth birthday):

- Children whose fifth birthday falls between 1 September 2023 and 31 March 2024 may request that their child is not admitted until later in the school year 2023/2024, but no later than the term after the child's fifth birthday (compulsory school age).
- Children whose fifth birthday falls between 1 April 2024 and 31 August 2024 can start no later than the beginning of the final term of the school year 2023-24.

Parents can request that their child attends part-time until they reach compulsory school age.

Admission out of the normal age group

In some circumstances, it may be appropriate for parents/carers to request that their child be admitted to a class outside their normal age group – e.g., parents/carers of children whose fifth birthday falls between 1 April 2024 and 31 August 2024, may wish for them to be admitted in September 2024: parents should discuss this with the school at the earliest possible stage.

Requests must be made in writing to the School Governors' Admissions Committee following this discussion with the school. The committee will make the decision based on the circumstances of each case and in the best interests of the child. This will include taking account of the parent's/carer's views, the head teacher's views, information about the child's academic, social and emotional development, where relevant their medical history and the views of a medical professional, whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The committee's decision and explanation will be given in writing to parents/carers.

Parents/carers should be aware that should their child switch school there is no requirement for the receiving school to continue to educate their child out of cohort and that secondary schools are not currently required to accept a child into Year 7 at secondary transfer who had been educated out of cohort during their primary education.

In-Year Admissions

Applications for in-year admissions are made directly to the school at the address above, where Route A and B waiting lists are maintained using the admissions criteria set out below. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been fully available for public worship.

Previously looked after children are children who were looked after but ceased to be so because they were adopted, including children who were adopted under the Adoption Act 1976 Section 12 and children who were adopted under the Adoption and Children Act 2002 section 46, or became subject to a child arrangement order as defined in Section 8 of the Children Act 1989 and amended by Section 12 of the Children and Families Act 2014, or special guardianship order as defined in Section 14A of the Children Act 1989.
