

Dear Parent/Carer,

Your child has been making very good progress on their instrument so we would now like to offer them the chance to take their Music Medal Assessment.

How does it work?

The assessment would take place in school, during school time, and lasts no longer than 10 minutes. Your child would need to perform two pieces they have already been taught; one a solo, the other a duet with another child. There is also a short option test they would take on the day.

This will be filmed and assessed by your child's tutor who will then send the video to the Associated Board of the Royal of Music to be moderated. Once the moderation has taken place, your child will receive their results and their pass mark. There is a certificate, feedback sheet and Music Medal badge awarded to those who pass.

Why do a Music Medal?

- To gain a measure of personal progress and attainment against internationally recognised benchmarks
- Increase ability to work independently and become a self-disciplined learner.
- To gain experience of working from a carefully structured syllabus towards a definite goal
- To improve leadership skills by leading an ensemble.
- Improvement in self-confidence and listening skills.
- To show achievement and progression.

What do I need to do?

- Encourage your child to practice at home and listen to them play.
- Return the attached form giving permission and paying the fee.

What will it cost?

Copper	£12.50
Bronze	£16.50
Silver	£22.00
Gold	£26.00
Platinum	£31.00
