

Farjana Khan – Camden Youth MP Election 2020

Farjana's Manifesto

My name is Farjana Khan, and I am standing as a candidate because I am enthusiastic to get our voices heard.

The youth are often easily ignored but I will highlight the problems we're most affected by to make sure that they are dealt with. I will endeavour to provide a safe and happy environment for all of us to flourish and achieve our potential.

This will involve focusing on taking effective approaches to dealing with the increasing knife crime that has affected too many of our friends and family, providing information for opportunities in higher education and apprenticeships.

I will aim to improve the help that is received by those who are falling behind, by trying to implement free/subsidised tuition with volunteers in schools. No student will get left behind. This, of course, is only a glimpse of the difference I will strive to make.

To ensure that I act as a voice for my peers, I will hold weekend/holiday events where you can come and speak to me about ideas or concerns you might have. I will use social media positively to spread my campaign, update you on my work, and engage with you. After all, I aim to make sure it is your concerns that are dealt with.
