

Commemorative Benches in Camden Council Parks

Dedicating a bench

You can request to dedicate a bench in one of our parks.

The design of commemorative benches match or complement other benches in the park. A stainless-steel plaque is engraved and etched with an inscription of your choice.

To make a request to dedicate a bench please email **parks@camden.gov.uk** with your contact details and the park you would like the bench to reside.

Bench styles

There are three designs of commemorative benches, all sustainably sourced.

Bench styles for commemorative benches are specific to the park being requested so that it matches or complements the existing bench stock.
