

# Your school's STEAM offer 2026/27

Every young person in Camden. Every year.  
A STEAM activity.

Camden STEAM is our free service connecting schools with leading STEAM employers. [More info here](#)

## Runs every year

### Camden Careers Day — Year 4 · dates TBC

Hands-on career exploration with 20+ employers, now embedded in the Camden PSHE framework.

### STEAM Work Experience Week — Year 12 · 5–9 July, TBC

A full week's placement with employers across tech, science, creative industries, finance, law and the public sector. Priority for students from underrepresented backgrounds.

### T Level industry placements — Year 12

Extended placements of 45+ days with an industry mentor for each student.

### AI Connect — Year 12

A two-year enrichment programme, 30 places a year, with mentors from Google, Google DeepMind and industry partners.

### AI Campus Opportunity Centre — Years 7 to 13

After-school study sessions and digital skills workshops in a tech-enabled space.

## Book when you need it

### STEAM Ambassador visits, primary — Reception to Year 6

Professionals from across STEAM sectors supporting careers learning in your curriculum.

[Book here →](#)

### STEAM Ambassador visits, secondary

Careers talks, workshops, mock interviews and careers panels. Supports Gatsby benchmarks 4, 5 and 6.

[Book here →](#)

### Apprenticeship assemblies — Years 7–9, 10–11 & 12–13

Phase-specific assemblies bringing apprenticeships to life, with real apprentices sharing their journeys and experiences.

### Workplace visits

Primary and secondary class visits to Google AI Exchange and The Orangery Farm.

### Teacher CPD

STEAM and AI training through the Camden Learning CPD programme.
