

## Schedule of proposed minor modifications to the Camden Local Plan Proposed Submission Draft

| Reference | Policy | Paragraph   | Proposed Modification                                                                                                                                                                                                                                                                                                                                                                   | Reason for Modification                                                                                                                                         |
|-----------|--------|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NMM01     |        | 1.11        | Propose to insert the following text at the end of paragraph 1.11 –<br><br><u>Once adopted, the new EAP will form part of the Council's Development Plan (replacing the existing EAP 2015) and will be used for decision making purposes.</u>                                                                                                                                           | For clarity. In response to the comments made by Lendlease and the Euston Landowners in their response to the Inspector's Matters, Issues and Questions (ED26). |
| NMM02     |        | 1.12        | Propose the following modification to paragraph 1.12 –<br><br><b>Neighbourhood Plans</b> – neighbourhood plans have been made for Fortune Green and West Hampstead (2015); Kentish Town (2016); Highgate (2017); Hampstead ( <del>2025</del> 2018); Dartmouth Park (2020); Camley Street (2021); <del>and</del> Redington Frogna (2021); <u>and Kilburn (2026).</u>                     | Factual update                                                                                                                                                  |
| NMM03     |        | 1.24 – 1.27 | Propose the following modifications to paragraphs 1.24 to 1.27 –<br><br>1.24 The draft new Camden Local Plan was published for consultation and engagement from the 17 January 2024 to the 13 March 2024.<br><br><u>1.25 Following this, the Camden Local Plan Proposed Submission Draft was published for consultation from 1 May to 27 June 2025 to enable residents, businesses,</u> | Factual update                                                                                                                                                  |

| Reference | Policy | Paragraph | Proposed Modification                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Reason for Modification |
|-----------|--------|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|
|           |        |           | <p><u>community groups and other key stakeholders to share their views on the soundness of the Plan.</u></p> <p><u>1.26</u> Consultation and engagement on the new Local Plan has been undertaken in accordance with the Council's Statement of Community Involvement. The comments received during each stage of consultation and engagement have been considered in preparing and updating the new Local Plan. A summary of the key issues raised through the consultation and the Council's response to them are set out in the Consultation Statement.</p> <p><del>1.26 The proposed submission version of the Local Plan is now published for consultation and engagement.</del></p> <p><del>1.27 Following the close of the consultation, the Plan, along with the consultation responses received and supporting evidence, will be submitted to the government for public examination by a Planning Inspector. The Plan was then submitted to the government for public examination in October 2025, along with the consultation responses received. If it is found sound it will be adopted by the Council for use in planning decisions, superseding the Camden Local Plan 2017 and relevant site allocation policies in the Camden Site Allocations 2013 and Fitzrovia Area Action Plan 2014. A policy replacement schedule is set out in Appendix 1.</del></p> |                         |

|           |                                                     |           | <u>approved (2025/0852/P, 2025/5818/P and 2026/0404/P) which increased the number of homes to 251.</u> The Camden Building Heights Study has identified this site as a location where tall buildings may be an appropriate form of development, with 12m - 63m considered the potentially appropriate height range. Planning permission was granted for a development up to 82m. That decision was based on the impacts and benefits of that specific scheme, and it should not be assumed that the permitted height would necessarily be appropriate for any subsequent development. The acceptability of particular tall building proposals, and their location within the site, will be assessed against Policy D2 (Tall Buildings) and other relevant development plan policies. |                                                                |
