

Geography Resources

There are many websites devoted to and offering advice about elective home education. These are a selection of some of them. The websites were correct as of the date the above. Websites do change from time to time and it may be more appropriate to do a search via a search engine.

The inclusion of an organisation or a website **is not an endorsement**. You should talk with the individual organization or review the website to see if they will be able to provide the service / support you or your child needs.

If you find a website does not work please email ehe@camden.gov.uk

www.bbc.co.uk/schools/gcsebiteize
